

## Equipment Warranty Information

Sleep Technologies honors all warranties expressed and implied under applicable State Law. Sleep Technologies will notify all Medicare beneficiaries regarding the warranty coverage of any supplies sold or rented. Sleep Technologies will not charge the beneficiary or the Medicare program for the repair or replacement of Medicare covered items or services covered under the warranty. In addition, an owner's manual with warranty information will be provided to beneficiaries of all durable medical equipment where this manual is available.

I hereby acknowledge that I, \_\_\_\_\_ received instruction and understand the warranty coverage on the product I received.
